MEMORANDUM FOR: Director, Office of Legislative Liaison

FROM:

Acting Deputy Director for Operations

SUBJECT: Supplemental Sensitive Annexes to
Congressional Budgets

1. Each year since the SSCI request in March 1977, we have provided our two Oversight Committees with a Supplemental Sensitive Annex to our Congressional Budget submission covering our covert action activities in considerable detail. The Appropriations Committees were added to the distribution of the FY 1983 annex at their request. Because of the sensitive nature of the information contained in the book, the annex was provided the Committees subject to the condition that a log be kept of all personnel having access to the material and that the annex be returned when no longer necessary for their review of the current submission. To date, we have not received any of these books or the list of personnel having access.

2. As you know, we have a continuing concern over the amount of sensitive information being provided to various offices outside the Agency. Annexes prior to the fiscal year immediately preceding the current fiscal year no longer serve a useful purpose and we ask you to request the Oversight Committees to return annexes provided for FY 1978 - FY 1983 before delivery of the FY 1986 submission in mid-January 1985.
